

CONTINUING COMPETENCE PROGRAM APPROVAL

Today's Date:	12/19/2022
Program Title:	Powerful Innovative Practices to Prevent Falls
Sponsor/Presenter:	UNC at Chapel Hill North Carolina Falls Prevention Coalition
Live or Distance:	Live
Course Number:	22-1210-068
Contact Hours:	3.5 hours live/in-person

Thank you for submitting an application for continuing competence credit for the above activity through the American Physical Therapy Association North Carolina.

The program/activity shown above has been approved for the number of contact hours indicated. Approval of continuing competence credit for a program or activity does not constitute a determination that any procedures or techniques instructed are within the scope of practice of any individual licensee.

By virtue of this approval, you agree to the Rights and Responsibilities for the Approved Provider that are summarized below.

Right

- You may use statements of APTA NC continuing competence approval in conjunction with any promotional material related to the program, although such APTANC approval does not imply APTA NC endorsement of any particular products, services or views of any speaker or sponsor.

Responsibilities

1. Provide attendees with a compliant **Certificate of Attendance** that includes the APTANC course number and the number of approved contact hours along with the program title and the date(s) and location of the activity.
2. Complete and submit to the APTANC (within 30 days of the course) a compliant **Verification of Attendance** form (sign-in sheet) for each activity (example is attached)

Elements must include: Participant full name, professional designation, signature, license number and Course title and date for each date of course/activity as well as your APTANC course number and the number of contact hours awarded for the activity.

You can mail, fax, or email the **Verification of Attendance** forms to:
Continuing Competence
North Carolina Board of Physical Therapy Examiners
8300 Health Park, Suite 233
Raleigh, NC 27615
