

# WESTERN NC FALL PREVENTION COALITION

## COMMITTEE RECAP

COMMITTEE	RECAP
-----------	-------

<b>Education</b>	Successfully planned and presented in conjunction with MAHEC the 2021 Fall Prevention Conference: Virtually Adapting to the New Normal and provided 4 well received educational programs during our quarterly coalition meetings.
------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>Membership &amp; Communications</b>	During Fall Prevention Awareness week, created a Fall Prevention educational placemat, delivering over 3,000 to our coalition counties. Significantly improved and brought new life to the WNCFPC Facebook site for keeping up to date on upcoming meetings, events and fall prevention related information. Developed a new WNCFPC logo.
----------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>Research &amp; Data</b>	Brought on 2 interns who helped complete obtaining fall prevention data collection and identifying resources in our 9 coalition counties. Currently looking at best strategy for providing access to resources on NCFPC webpage.
----------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>History, Mission, Vision &amp; Bylaws</b>	Completed documentation of the long history of the WNCFPC, drafted new Mission & Vision statements, and in process of completing development of coalition bylaws. *The Bylaws are something that the WNCFPC is leading the way in for the state of NC
----------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Thank you and Great Job!
